# WORKSPACE OVERVIEW

Path Cowork Basecamp: 1911 Broad St.

Our second location, Path Cowork Basecamp, is located in downtown Regina and includes 25,000 square feet of flexible and private workspace options to accommodate any sized team.

This is an opportunity for a team looking for a tailored workspace. We currently have 8,000 square feet that will be developed into various private offices and team suites in 2025.

We're seeking teams of all sizes to fill the available space. We work with teams directly to identify a floorplan and build out a private, tailored workspace. This is an exciting opportunity for a team looking to be involved in the design process.
